

しゅみは 何ですか。

Hobby

Hyogo Boys : どうも、Hyogo Boys です。
よろしく おねがいします。

Ryuji : Now we are studying Japanese, right?

Masato : Yes, Japanese is pretty hard, but it's interesting.

Ryuji : We've just learned how to ask someone "What's your hobby?" in Japanese.
Do you know how to say it?

Masato : Of course, I know. あなたのしゅみは 何ですか。 , right?

Ryuji : Very good.

Masato : By the way, I have come to love a Japanese girl from our sister school.

Ryuji : Oh, really?? That's nice!

Masato : But I don't know what to do.

Ryuji : I have an idea. You should talk about something fun with her!
How about talking about your hobbies in Japanese?

Masato : Sounds good!

Ryuji : So, let's practice!
I will be the girl and ask you what your hobby is in Japanese.
Then, you can answer me.

Masato : You will be the girl I love. It's hard to imagine.

Ryuji : Why not?
あなたのしゅみは 何ですか。

Masato : ぼくのしゅみは
ふくを きることです。

Ryuji : なんでもねん！ Wearing clothes is not a hobby!
Everybody wears clothes.

Masato : What? But sometimes I see people running around shirtless.

Ryuji : Oh, dear. They just want to show their muscles!

Masato : Oh, do they? How weird?

Ryuji : Don't say that! Many guys like to get themselves into shape in Australia.

Masato : Oh, dear.

Ryuji : Anyway, say something different.
You also should say something fun, remember?

Masato : OK. Please ask me again.

Ryuji : あなたのしゅみは 何ですか。

Masato : ぼくのしゅみは
マンガと
アニメと
コスプレです。

Ryuji : なんでもねん！

Masato : I like girls in anime.

Ryuji : Stop it! No girls like an anime geek. She will not like you.

Masato : Oh, I don't want to be hated by her!
What should I say? Could you give me any ideas, please!!

Ryuji : All right, mate. You should be more lively!
How about sports? I reckon many girls like sportsmen!

Masato : Oh, thank you for your advice. That makes sense. Let me try once more!

Ryuji : あなたのしゅみは 何ですか。

Masato : ぼくのしゅみは
 ねること です。

Ryuji : もうええわ！

Hyogo Boys : どうもありがとうございました。
