Hyogo Prefectural Government Cultural Centre was established in Perth in 1992 by the Hyogo Prefectural Government to commemorate the tenth anniversary of the Sister-State relationship between Western Australia and Hyogo Prefecture. The Centre aims to promote Japanese language, culture, and exchange by maintaining a large resource library, providing a bridge of communication between Hyogo and WA. We are located at 20 Kalinda Drive, City Beach, next door to the International School, in the same building as the Japanese School.
