108 min

Roman architect Lucius is stuck for ideas. Criticized for his "outdated" thermae designs, he retreats to the local bath to collect his thoughts. Slipping deeper into the warm water, Lucius is suddenly caught in the suction and dragged through the drainage at the bottom of the bath! He emerges amid a group of strange-looking foreigners with the most peculiar bathhouse customs...over 1,500 years in the future in modern-day Japan! Borrowing the customs of these mysterious bath-loving people, Lucius opens what quickly becomes the most popular new bathhouse in Rome—Thermae Romae!
