Special Thursday Chatterbox Event Artist Talk & Obento Lunch with Mutsuko Bonnardeaux, Paper Maker & Kumi-e Artist

Mutsuko Bonnardeaux has travelled the world developing her stunning artwork known as *kumi-e*, a combination of *chigiri-e* (hand torn paper images) and *hari-e* (collage). She has been inspired by French impressionists, her many years spent living in WA's Kimberley region, and Japanese traditions. Mutsuko's artwork continues to evolve from flowers to landscapes, abstract to scenes involving people. Not only does Mutsuko create beautiful artwork, she also handmakes and dyes the stunning washi paper. Come along to hear her stories and learn about her art.
